

# THE QUIZZY QUIZLERS OF 2017

By Gwyneth Isabelle D'sa, 12-C

---

On the 9<sup>th</sup> of May 2017, the inter-house quiz competition was held in our school for grades 11 and 12. The four houses, Bluebell, Rose, Shamrock and Sunflower competed against each other by answering questions based on Literature, Sports, Entertainment, Math, Science and Current events.

Each of the four teams consisted of six members. For each house, one student of that particular house was selected from all the six classes, 12a, 12b, 12c, 11a, 11b and 11c. These students were selected through an elimination round.

The quiz mistress for the day was Tr. Ruchi, the time keepers were Tr. Vimmi and Tr. Saeeda, and the score keepers were Tr. Preethi and Tr. Sripriya.

Through the course of time during the quiz the four houses started to pick up points with the Rose house in the lead. During the quiz, teamwork was observed from each of the houses. Each of the teams gave out their answers confidently and did not get discouraged when they spoke out the wrong answer. They all received a tremendous amount of support from their house mates, who were the audience. The quiz ended with the Bluebell house taking home the first position with 130 points and the Shamrock house secured the second place with 80 points. It was truly a fun, exciting, sweat breaking and collaborative event.
