Promotion and Retention Policy

In order to implement the new Policy of Education, the Central Board of Secondary Education, New Delhi, has drawn up a concrete programme of action to evaluate and assess the student's performance. The highlights are as follows:

- Attendance during the examination is compulsory.
- Students who remain absent for an examination without valid reason shall be deemed to have failed the examination.
- CCE(Continuous and Comprehensive Evaluation) will be the scheme of Evaluation as per the CBSE guidelines.
- *Arabic is compulsory up to standard XII*
- 4 Formative Assessments and 2 Summative Assessment shall be held in an academic year.

For class VI – X

Compulsory Subjects	Minimum Pass Marks
Arabic	50%
Islamic Studies	50%
UAE Social Studies	50%
XI and XII Arabic	60%

Grade 1 to Grade 9

All students at Saint Joseph's Catholic High School remain with their chronological year group up to Grade 9 and are promoted automatically at the end of each academic year.

If the performance of any student at the end of year exams in March is a cause for concern arrangements are made to ensure that appropriate information concerning that student is passed on to those teachers who are subsequently involved with that student in the following academic year.

Arrangements are then put in place to ensure that differentiated instruction and support enable that student to achieve in line with their starting point at the beginning of the academic year.

Grades 10

Any student who does not achieve a passing grade (A-D) in the end of year exams is required to take a re-sit in both subjects. A passing grade in each of the re-sits must be achieved for promotion to take place.

Grades 11 & 12

All students should attain 35 % for each main subject. Students who fail in one subject will have to clear it in grade 11 and the students who fail in two or more subjects will be detained.

Grade 12 Arabic Unification Assessment

Grade 12 students must achieve a passing grade in the externally assessed Unification Assessment for Arabic. Failure to achieve a passing grade will result in the examination being re-taken after the student has left the school.

- parent/guardian.
- As per regulations a student cannot be retained in a certain grade more than two consecutive times as a maximum and no more than two different grade during the entirety of his School education.
 - A student who fails twice consecutively in the same class will be asked to leave the school.
 - A decision to retain a student will only be taken after an in depth review and deliberation by the Academic Review Committee headed by the Principal:
 - The Academic Review Committee will take into consideration a variety of possible factors to improve student learning including: social impact and student development that would result if he or she was separated from their peers; school reports which show the student's progress or lack of progress for two or more years, the capacity of the School to provide an improved, whether or not the student has already been previously retained, differentiated learning experience and support for students who have in the past been retained, whether a student has been assessed for special education needs, and whether the student is in need of an Individual Education Plan which can better serve his/her individual learning needs.
 - The final decision is issued based on the collective collaboration of all the teachers who have taught or worked with the student during the current academic year, social workers, heads of faculty, school or special needs coordinators, and the parents/guardians.
 - In case of students receiving additional learning support the school will notify the parent concerning the impact of such interventions on a regular basis
 - Utmost care is taken to avoid discrepancy in calculation and evaluation. The results, once declared, cannot be questioned / re-considered.
 - **Students with Special Education Needs:**
 - All students on an Individual Education Plan who meet their objectives will be promoted to the next age-appropriate placement and grade-level sequence.
 - Students with Special Needs will not be retained or failed in a grade/year level.
 - If a student with special needs is not making the expected progress, this would suggest that the goals and objectives set forth in their personal Individual Education Plan will be adjusted to better accommodate the needs of the student.
