

Our World :
Junk 2 Funk
Grade 2 : Summer Activity

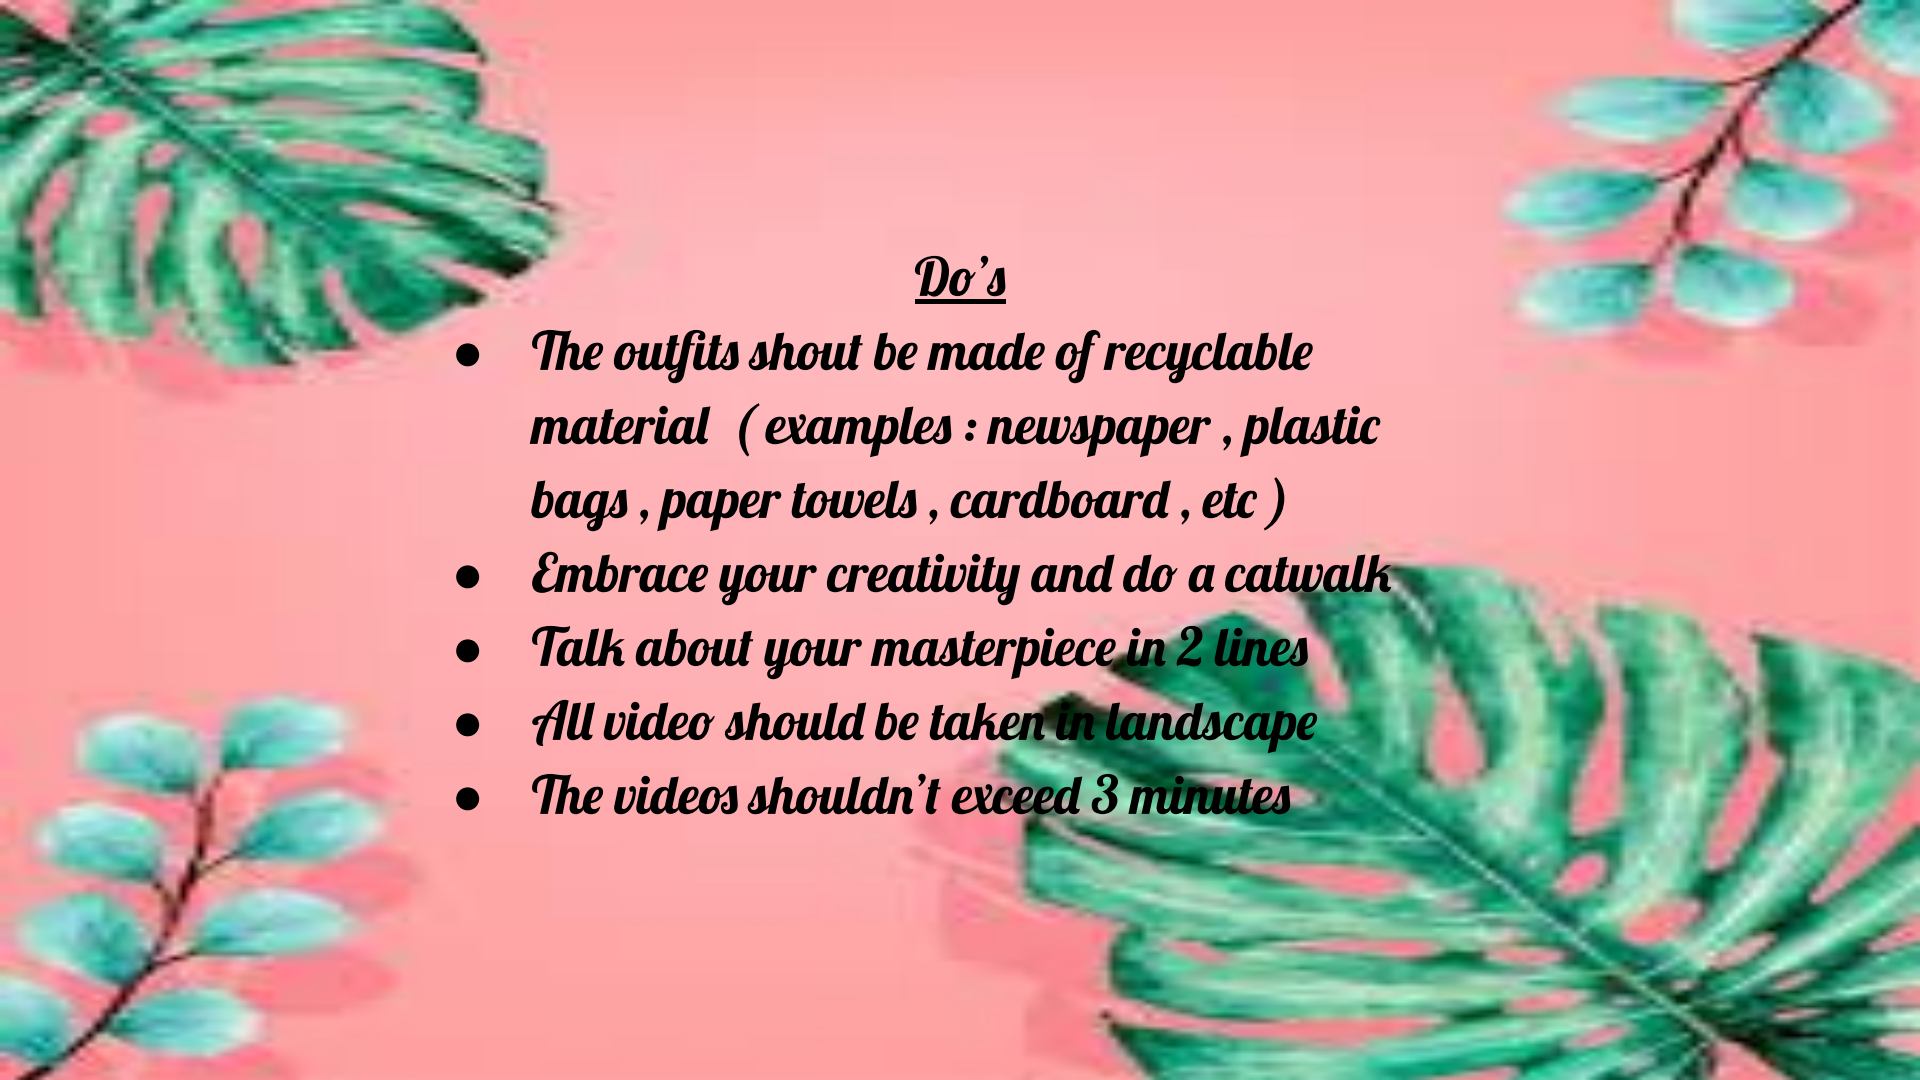

*Calling out all the little green fashionistas ,
put your fashion designing to the test and
design outfits but with a twist ...
Only Eco-Friendly Material !!!*

Kindly follow all the guidelines mentioned .

The video must include :

- *timelapse of the the making process*
- *ramp walk*
- *talk about the outfit*

Do's

- *The outfits should be made of recyclable material (examples : newspaper , plastic bags , paper towels , cardboard , etc)*
- *Embrace your creativity and do a catwalk*
- *Talk about your masterpiece in 2 lines*
- *All video should be taken in landscape*
- *The videos shouldn't exceed 3 minutes*

Don't s

- *Do not harm the earth using non recyclable material*
- *The video should have good lighting*
- *The video must be within the time limit*
- *Original ideas ONLY !!!*

Purpose:

These kind of eco friendly fashion shows can bring awareness among people regarding the environment . in fact , this has more power to attract people towards reuse and recycle of old clothes

Let us make the earth green again !!!

Send the videos before 25th of july
