

# REUSE OLD NEWS

Get ready to have an amazing summer this year... You have got a very interesting project to work on.

**Procedure**: Grade 8 will do different creative useful things out of old reusable item available at home for example you can convert empty plastic bottle into flower pots, empty cans and glass jars into stationery holders and pistachio covers as beautiful butterflies and many more attractive things.

Participants may take a **time-lapse** of them making the project. The video should be 2 minutes long. It must be shot in a **landscape** view.

**PARTICIPATION IS MANDATORY FOR ALL VERTE CLUB MEMBERS**

**\*KINDLY SUBMIT YOUR VIDOES LATEST BY 20<sup>TH</sup> JULY**
